

APEX Mission:

CT APEX (formerly CTPTAC) has the mission to provide marketing and procurement assistance to Connecticut businesses interested in selling their goods or services to federal, state, or local governments. CT APEX is a statewide program serving all cities and towns in Connecticut.

APEX Goal:

CT APEX aims to serve as the axis for existing and new business to strengthen the defense industrial base by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains. We provide marketing and procurement assistance to Connecticut businesses interested in selling their products and services to federal, state and local governments.

APEX Funding:

This APEX Accelerator is funded in part through a cooperative agreement with the Department of Defense. Matching funds are provided by Connecticut's Department of Economic & Community Development (DECD). Our host agency is Southeastern Connecticut Enterprise Region (seCTer).
